## **ACKNOWLEDGEMENTS**

*Completion of this doctoral dissertation was possible with the support of several people. I would like to express my sincere gratitude to all of them.*

*First and foremost, I would like to express my sincere thanks to my research supervisor **Prof. Allam Srinivasa Rao, Department of Physics, KLEF (deemed to be University), Vaddeswaram, Guntur** for his valuable guidance, scholarly inputs and consistent encouragement which I received throughout my Ph.D work. I am very much grateful to his contribution of time, ideas, patience, motivation, enthusiasm, and immense knowledge to make my Ph.D. experience productive and stimulating. I could not have imagined having a better advisor and mentor for my Ph.D other than him. His advices on both research as well as on my personal career have been precious. I thank **Mrs. A. Padmavathi** for her moral support and hospitality.*

*I am highly indebted to **Prof. G. Vijaya Prakash, Department of Physics, IIT Delhi, New Delhi** for his unbelievable support in the present work and generosity in extending his Nano Photonics Research Lab facilities. I am thankful to **Prof. J. L. Rao, Prof. L Rama Moorthy and Prof. C. K. Jayasankar, Dept. of Physics, SV University, Tirupati** for their encouragement in present work. I am highly thankful to **Prof. D. Haranath, Principal Scientist & Group Head, National physical Laboratories, Pusa, New Delhi** for his generosity in extending the experimental facilities. I am also thankful to **Dr. M. Jayasimhadri, Assistant Professor, Department of Applied Physics, Delhi Technological University, New Delhi** for his constant encouragement throughout my research work.*

*I am hugely appreciative to my Doctoral committee members in **KLEF (Deemed to be University)** **Dr. G. Kiran Kumar, RPAC Chairman, Department of physics,** for his academic care throughout the course of this work. I am extremely thankful to **Dr. N.S.M.P. Latha Devi, Head, Department of physics, (Chairman of Doctoral Committee & Board of studies), Dr. K. S. Ramesh and Dr. Sk. Babu, Department of Physics, (Doctoral Committee Members),** for their time and insightful questions during the tenure of the present work.*

*It gives me an immense pleasure to thank all the dignitaries of KLEF (Deemed to be University) **Sri Koneru Satyanarayana garu**, Honourable President, for providing the necessary infra structural facilities during the course of my work. I also extend my sincere thanks to **Prof. M. Ramamoorthy**, Chancellor, **Prof. L. S. S. Reddy**, Vice-Chancellor, **Dr. K. Satya Prasad**, Pro Vice-Chancellor, **Dr. T. Umamaheswara Rao**, Registrar, **Prof. N. Venkatram**, Dean Academics, **Prof. A. Ananda Kumar**, Dean-college of Science & Humanities, **Dr. K. Subba Rao**, Principal and Dean-college of Engineering, **Dr. V. Krishna Reddy**, First year Coordinator for their help.*

*I sincerely thank **Dr. K. L. Narayana**, Dean R & D, **Dr. K. Ch. Sri Kavya**, Associate Dean, R & D, KLEF (Deemed to be University) for their academic support in successful completion of my research work.*

*I am particularly indebted to my senior research fellows **Dr. Mahamuda Shaik**, **Dr. Swapna Koneru**, **Dr. M. Venkateswarlu**, Department of Physics, KLEF (Deemed to be University), who provided me an opportunity to join their team and enlightening me about research and who gave access to the laboratory and research facilities. Without their precious support it would not be possible to conduct this research.*

*I extend my thanks to the faculty **Dr. M. V. V. K. Srinivasa Prasad**, Department of Physics, KLEF (Deemed to be University) for his kind co-operation during the period of my research work.*

*I take this opportunity to express my sincere thanks to the functionaries of my working institution **VVIT** (Vasireddy Venkatadri institute of Technology & Sciences), **Sri. Vasireddy Vidya Sagar garu**, Honorable Chairman, **Dr. Y. Mallikarjun Reddy**, Principal, **Dr. N. Kumara Swamy**, Dean Academics, **Dr. M. V. Raghu Ram**, Head, department of Science and Humanities for their encouragement in research.*

*Special mention goes to **Prof. T. Vijaya Krishna**, **Dr. T. Madhu Mohan**, Assoc. Prof. Department of Physics, VVIT for their co-operation and also thanks to all my colleagues in VVIT for their moral support.*

*I owe a lot to my parents, **Sri Chalamsetty Veera Raghavulu, Smt. Chalamsetty Sita**, who encouraged and helped me at every stage of my personal and academic life, and longed to see this achievement come true. Their prayer for me was what sustained me thus far. A special thanks to my second parents, words cannot express how grateful I am to my uncle and aunt **Sri. Chalamsetty Venkateswarlu and Smt. Chalamsetty Padma**, for their patience to take care of my children which enabled me to complete this endeavor. I am grateful to my sibling **Mr. Anil Chalamsetty** and his family who have provided me moral and emotional support in my life. I would like to thank my father-in-law and mother-in law, **Sri. Anjaneyulu Payyavula and Smt. Dhanalakshmi Payyavula** for supporting me morally throughout my Ph.D and my life in general. I am very much thankful to my cousin **Mr. Baji Dasari** for offering his service to solve the system problems whenever it is needed.*

*Finally, last but no means least, I am very much thankful to my family, my loving, supporting and encouraging husband **Mr. Rambabu Payyavula** and my affectionate sons **Sarath Sai and Asrith**, for all of the sacrifices that they have made on my behalf and supported me with love in every possible way to see the completion of this work. They are the most important people in my world and I dedicate this thesis to them.*

*Above all, I owe it all to God Almighty for granting me the wisdom, health and strength to undertake this research task and enabling me to its completion.*
