

ACKNOWLEDGEMENT

Firstly, I would like to express my sincere gratitude to my advisor **Dr. Nulaka Srinivasu**, Professor, Department of Computer Science and Engineering, K. L. E. F. and **Dr. Vinayak K. Bairagi**, Professor, Department of Electronics and Telecommunication, AISSMS Institute of Information Technology, Pune for the continuous support of my Ph.D study and related research, for their patience, motivation, and immense knowledge. Their guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my Ph.D study.

Besides my advisor, I would like to thank **Dr. M. R. Narasinga Rao**, and **Dr. G Pradeepini**, RPAC Chairman's of CSE for their kind support, insightful comments and encouragement. My sincere thanks also go to **Dr. Hari Kiran Vege**, Head of the Department, CSE, **Dr. K. Tirupati Rao**, BOS Chairman, CSE, K L E F for their support throughout the research work.

I would like to express my sincere thanks to **Dr. B. Jayakumar Singh**, Dean (R&D), **Dr. B.T.P. Madhav**, Associate Dean (R&D), **Dr. A. S. C. S. Sastry**, Professor and Controller of Examinations, K L E F for their support throughout the research work.

It is my duty and great pleasure to thank my beloved husband **Mr. Kishor Pathak** for all his love, encouragement, and lot of patience. Without his support this research would not have been complete for me. I would also like to thank my dear son **Sarvesh** for his understanding, patience and active cooperation throughout the course of my doctoral dissertation.

Sincere gratitude to My Parents for their inseparable support and prayers throughout my life and motivated me and taking care of my son during this busy schedule of research work. I thank to my Brother and Sister for their support. I also thank to my brother-in-law, co-sister, niece for encouragement and support to strive towards my goal.

Last, but not the least, I thank the one above all of us, the omnipresent God, for giving me the strength during the course of this research work.

Mrunal Kishor Pathak
